CHRISTOPHER BRANE PHOTOGRAPHS SCENARIOS AND INCORPORATES PAINT AND ART. THE CLIENTS LOVE OF ORGANIC SPACES AND MATERIALS OF THE EARTH SET THE STAGE FOR THE DESIGN OF THE NEW YORK CITY LOFT. FOLLOWING THE CURVES OF THEIR COLLECTION OF BEBE'S ORGANIC ART WORK, THE WALL IS INTRODUCED TO THE EXTERIOR. THE WALLS FLOW IN SPACE. ASYMMETRICAL LIKE NATURE ITSELF, THE WALLS FLOW IN SPACE. TO ADD VARIETY TO THE SPACE A FEW GEOMETRIC FURNITURE PIECES ARE MIXED INTO THE DESIGN. ORGANIC WALLS, COVES OF LIGHT, FLOATING FOOT SHAPED LIVING AREAS, AND A ZEAL GARDEN INSPIRED ATRIUM BRING THE OWNERS AND THEIR GUESTS BACK TO NATURE.
